33. A. drink B. drinks C. drank D. drunk
34. A. world B. worldwide C. capital D. region

VIII. Read the text carefully then mark the correct answer A, B, C, or D for each question

The Lost Land

Most people have heard the story of the lost island of Atlantis. But is any part of the story true?

The Greek writer Plato wrote that Atlantis was an island in the Atlantic Ocean.

The island's wealthy people designed many **great** buildings and canals. At the center of the island, they built a beautiful golden temple. But the Atlanteans became greedy—they had everything, but they still wanted more. The gods became angry, and the island was hit by earthquakes and great waves. Finally, the whole of Atlantis sank into the sea.

Throughout history, explorers have reported finding Atlantis. In 2004, the explorer Robert Sarmast reported finding the island's remains on an undersea mountain near

Cyprus. However, Sarmast and other scientists later found out these findings were natural, not man-made.

Many people think Atlantis is simply a story. The purpose of the story was to teach people about the evils of greed. Richard Ellis published a book on Atlantis in 1999. He says "there is not a piece of solid evidence" for a real Atlantis.

So was the island real or not? Only one thing is certain: the mystery of Atlantis will be with us for a long time.

1. Another title for this passage could be

- a. Atlantis Sinks into the Sea
- b. Atlantis: Real Place or Just a Story?
- c. The Greed of the Atlanteans
- d. I Found the Island of Atlantis

2. Which sentence about the story of the Atlanteans is NOT true?

- a. They were wealthy.
- b. They built many buildings.
