

Listening

Listen to four short texts about UFOs and match the statements A–L with the four texts. There are two extra sentences.

- A The speaker believes UFOs do exist, because some people may have seen them. ____
- B The speaker does not believe UFOs exist. ____
- C The speaker says some trained people have seen something like UFOs. ____
- D The speaker says a UFO disappeared just like the Loch Ness Monster. ____
- E The light of a UFO made it impossible for the speaker to see. ____
- F The speaker admits, he cannot understand things like UFOs. ____
- G The speaker would laugh at anyone who would tell him they had seen a UFO. ____
- H The speaker believes that scientists who study stars and the universe would be the first to see a UFO. ____
- I The speaker thinks that educated people don't believe in UFOs. ____
- J The speaker says all the photos of UFOs are just false and are not real photos. ____
- K The speaker said he first thought a storm was coming, but then realised it was a UFO. ____
- L The speaker said the UFO moved slowly towards him. ____
