

Tally

1. Write the number that each tally represents.

a) $\overline{\text{||||}} \quad \overline{\text{||||}} \quad 111 =$

b) $\overline{\text{||||}} \quad \overline{\text{||||}} \quad \overline{\text{||||}} =$

c) $\overline{\text{||||}} \quad \overline{\text{||||}} \quad 1 =$

d) $\overline{\text{||||}} \quad 1111 =$

The chart shows scores made by 5 cricket teams. **DRAG** and **DROP** tally marks to show the number then answer the following questions.

Teams	Scores	Tallies
Bybrook	23	
Norwich	30	
Buff Bay	16	
Hope Bay	25	
Orange Bay	28	

- Which team scored the most runs?
- How many runs did Bybrook make?
- Which team scored the least runs?
- How many more runs did Hope Bay score than Buff Bay?
- What is the total number of runs score by Norwich, Hope Bay and Bybrook?
