

WHAT IS RESPECT?

Universidad
Rey Juan Carlos

1. Click on the situations where respect occurs

Treat with amability to the rest of people

Accepting people's differences

Shouting when a person is talking to you

Mistreating my friends when they want to help me

Insulting someone because they are of a different ethnicity from you

Helping someone in need

Being tolerant and empathetic towards people

2. Find values that strengthen respect in the alphabet soup
