I live in London – it's a very big ⁰ city. Our flat is in a big ¹ of flats. We always use the ² to get to our flat because it's on the eleventh ³. There's a ⁴ outside the living room and the view from there is fantastic.

I live in a town in England. Our home is a ⁵ house. Our living room is next to our neighbours' living room and we can hear their TV at night. I have to walk up and down ⁶ because my bedroom is in the ⁷.
