

TEST- GROUP B

1. Read about GINA and her best friend and answer the questions 10p

I met my best friend Katia at primary school when I was nine years old. We are very close but we are really different. She is taller and sportier than me. She plays handball very well and she is in the school team. I am more studious and I usually help her because I am better at Math and Sciences. She is the most competitive and athletic girl in the class. I am the most punctual and responsible.

We are both friendly and sociable. We love meeting friends and going out.

At weekend we always go to park and hang out with friends.

She is the youngest in her family because she has one older sister and one older brother.

I am only child but I have a dog.
