3. Choose the correct option.

My morning routine is exactly the same every day. The first thing I do is get in the (1) **soap** / **shower** and then I get dressed. I dry my hair while I'm looking in my (2) **mirror** / **duvet**. I've got a good (3) **electric cooker** / **hairdryer**, so it doesn't take long. Next, I make my bed - it's easy because I've got a (4) **duvet** / **pillow** - and I go downstairs for breakfast.

I always have cereal with warm milk, so I take the milk out of the
(5) **fridge / charger**, put some into a cup and heat it up in the
(6) **washing machine / microwave** for a minute. I leave the dirty dishes
in the (7) **bath / sink** to wash when I get home. Then I turn off the
(8) **central heating / electric cooker** or, in summer, the
(9) **air conditioning / phone charger** before I go to work.
