Begin Again

Space

It's me again---------- me again,
Just me again and my ---------- heart.
How can I love again, Now she's ---------- again,
I'm on that ship again, Called a ---------- heart.

Oh I am so ----------
I'm the man who would kill for love.
I'd kill for love!
Oh, I am a phony Valentino.
The man who would kill for,
Man who would kill for
Man who would kill, for love!

So I begin again, In all the wrong again.
The types of bar again, So full of ----------.
I buy the drinks again, For the ---------- girls again.
In the hope again I'll find ---------- you.

Oh I am so lonely,
I'm the man who would kill for love.
I'd kill for love!
Oh, I am a phony Valentino.
The man who would kill for,
Man who would kill for
Man who would kill, for love!

So I begin again, begin again,
Begin again, right from the start.
Begin again, begin again,
Begin again, back to the ---------- board.

Oh I am so lonely,
I'm the man who would kill for love.
I'd kill for love!
Oh, I am a phony Valentino.
The man who would kill for,
Man who would kill for
Man who would kill, for love!
