

Problem-Solution Essay (Template)

As human beings we face problems on a daily basis. To overcome these problems or lessen their effects, we must find the ultimate reasons that keep causing such problem. In this essay, I will present the causes and effects of _____ **المشكلة** _____. Plus, I will suggest various solutions that can put an end to such problem.

As we all know, _____ **المشكلة** _____ is one of the problems that keep causing us harm. One of the reasons that led to this problem is _____ **السبب الأول** _____. Another cause of this problem is _____ **السبب الثاني** _____. If this problem persists, the results will be severe, and the outcomes will be endless. First, **this problem can lead to health problems**. Second, _____ **التأثير الثاني** _____.

To get rid of this problem and to put an end to its horrible effects, I suggest that the following measures should be followed. Firstly, we must establish strict rules. Secondly, we must spread awareness and remind all people of the negative effects of such problem.

To wrap it up, the problem of _____ **المشكلة** _____ is a serious one. It must be tackled in a wise and responsible manner, otherwise we should be ready to endure the bitter consequences.
