Playing as a team
Football is a team sport. It requires players to work together to score goals and defend their own.

Challenge Task: Read the text below.

Penguins mainly eat fish. The types of fish they eat depend on where they live. They also eat krill (tiny shrimplike animals), squid, shellfish and octopus. Due to factors such as overfishing and climate change, fish stocks are declining. This means that the number of penguins is decreasing too as it's becoming more difficult for them to feed themselves.

What would be the title of this text?
