

Write an email message to Teacher Liz, asking her to go shopping for grocery items for dinner.

1. What are you making for dinner?
2. What items do you have at home?
3. What items do you need?
4. How much or how many do you need?

Name:

Date:

Example:

Hi Honey,

I'm making spaghetti for dinner tonight, but I need a few more groceries. I have pasta and cheese. I need a package of meat, an onion, a green pepper, a can of spaghetti sauce and a can of diced tomatoes. I also need one bottle of apple juice, six cans of coke and a dozen eggs.

Thanks. See you tonight.

Liz
