

It Must Have Been Love - Roxette

Lay a whisper on my pillow/billow
Leave the winter on the pound/ground
I wake/make up lonely, is there a silence
In the bathroom/bedroom and all around

*Touch me now, I close my eyes
And dream away...*

Chorus

_____, but it's over now
It must have been good, _____
_____, but it's over now
_____ touched till the time had run out

Make we're together
That I'm sheltered by your
But in and I turn to water
Like a teardrop in palm

*And it's a hard winter's day
I dream away...*

_____, but it's over now
_____, now I'm living without
_____, but it's over now
It's where the water flows, it's where _____
Repeat Chorus
