# I say a little prayer

Tori Kelly and Pharrell Williams

Say a little prayer for you

The moment I \_\_\_\_\_

Before I \_\_\_\_\_ my makeup (makeup)

I say a little prayer for you

While combing my hair now

I'm wondering what to wear now (wear now)

I say a little prayer for you (for you, ooh)

Oh, baby

Ever

(You'll stay in my heart and I will love you)

(Forever) forever (and ever) ever

(We never will part, oh, how I love you)

(Together) together (together) together

(That's how it must be to live without you)

(Would only mean heartbreak for me)

Ooh, ooh, ooh

I \_\_\_\_\_ for the bus, dear

While riding, I \_\_\_\_\_ of us, dear (us, dear), hey

I say a little prayer for you, oh, oh-oh, oh-oh (oh, shawty)

At work, I just \_\_\_\_\_ time

And all through my coffee breaktime (breaktime)

I say a little prayer for you

Forever

(You'll stay in my heart and I will love you)

(Forever) forever (and ever) ever

(We never will part, oh, how I love you)

(Together) together (together) together

(That's how it must be to live without you)

(Would only mean heartbreak for me)

Only mean heartbreak for me

Ooh-oh
