Choose the correct option

- Look! There's a cave / glacier in the mountain.
- We need to protect rapids/coral reefs. They're a valuable hábitat for many animals.
- The UK is an island/ocean.
- Last weekend, we climbed a jungle/mountain.
- It's usually very hot in jungles/glaciers.
- Camels can survive in the desert/ocean because they don't need a lot of wáter.
