Question 38. *It's a long time since our last conversation.*

A:Our last conversation was long. B:Our conversation lasted a long time.
C:We had a conversation for a long time. D:We haven't talked to each other for a long time.

Câu 7: Mark the letter A, B, C or D to indicate the correct answer to each of the following questions.

_____ is an Italian traditional dish made from layers of pasta, meat sauce and tomato sauce.

A:Curry B:Steak pie C:Lasagna D:Sushi

Câu 8: Read the following passage and circle the letter A, B, C or D to indicate the correct answer to each of the questions.

The tooth decay

In most animals, dental decay is a rare problem. In man, and especially in the rich West, the disease has reached epidemic proportions.

The cause of tooth decay in human beings is a bacterium that feeds on the sugar in our food. It digests the sugar more easily by converting it into an acid. The acid then dissolves the enamel, the outer coating of the teeth and finally attacks the living nerve within. The result is the agonizing pain we know as toothache.

Question 31. *Decay cannot begin until the bacterium produces _____.*

A:sugar from acid B:food from sugar C:sugar from food D:acid from sugar

Câu 9: Read the following passage and circle the letter A, B, C or D to indicate the correct answer to each of the questions.

The tooth decay

In most animals, dental decay is a rare problem. In man, and especially in the rich West, the disease has reached epidemic proportions.

The cause of tooth decay in human beings is a bacterium that feeds on the sugar in our food. It digests the sugar more easily by converting it into an acid. The acid then dissolves the enamel, the outer coating of the teeth and finally attacks the living nerve within. The result is the agonizing pain we know as toothache.

Question 29. *What does the passage say about the problem of tooth decay in the rich Western country?*

A:It has remained unchanged for a long time. B:It is now virtually out of control.

C:It has been increasing slowly for years.

D:It is steadily decreasing each year.

Câu 10: Read the following passage and circle the letter A, B, C or D to indicate the correct word or phrase that best fits each of the numbered blanks.

Humans have long history of eating insects, and it turns out that they can be a very (23) _____ part of a person's regular (24) _____. Insects have a lot of protein, and they are often easier to catch (25) _____ prey animals. Question 24. A:diet B:health C:balance D:fitness

Câu 18: Read the following passage and circle the letter A, B, C or D to indicate the correct answer to each of the questions.

The tooth decay

In most animals, dental decay is a rare problem. In man, and especially in the rich West, the disease has reached epidemic proportions.

The cause of tooth decay in human beings is a bacterium that feeds on the sugar in our food. It digests the sugar more easily by converting it into an acid. The acid then dissolves the enamel, the outer coating of the teeth and finally attacks the living nerve within. The result is the agonizing pain we know as toothache.

Question 30. Human teeth decay when they are attacked by a kind of _____.

A:acid B:sugar C:nerve D:food

Câu 19: Mark the letter A, B, C or D to indicate the word(s) OPPOSITE in meaning to the underlined word(s) in each of the following questions.

We must not let small children play in the kitchen. It's a dangerous place.

A:handy B:suitable C:central D:safe

Câu 20: Mark the letter A, B, C or D to indicate the most suitable response to complete each of the following exchanges.

Mai: "Shall I peel the bananas for you?"

A:You're kidding me. B:That's right.
C:Sure, you can give me a hand if you want to. D:You're welcome.

Câu 21: Mark the letter A, B, C or D to indicate the correct answer to each of the following questions.

I am very excited about trying that mango sticky rice. I _____ to try it.

A:look forward B:can't wait C:ought D:want

Câu 22: Mark the letter A, B, C or D to indicate the correct answer to each of the following questions.

To put something quickly into a sauce and take it out again means _____.

A:to whisk B:to dip C:to sprinkle D:to marinate

Câu 23: Mark the letter A, B, C or D to indicate the underlined part that needs correcting in each of the following questions.

Jack will not graduate unless he doesn't pass all the tests.

A:will not B:graduate C:doesn't pass D:the

Câu 24: Mark the letter A, B, C or D to indicate the correct answer to each of the following questions.

Can I have a pizza, a dozen eggs and a _____ of lemonade, please?

A:piece B:jar C:tub D:bottle

Câu 25: Mark the letter A, B, C or D to indicate the correct answer to each of the following questions.

_____ is a Mexican dish of meat and vegetables cut into strips, cooked and wrapped inside a flatbread.

A:Cobb salad B:Lasagna C:Fajitas D:Steak pie

Câu 26: Mark the letter A, B, C or D to indicate the underlined part that needs correcting in each of the following questions.

I had so many coffee that I couldn't sleep last night.

A:had B:many C:that D:last

Câu 27: Mark the letter A, B, C or D to indicate the correct answer to each of the following questions.

_____ has left a bicycle outside.

A:Something B:Anything C:Someone D:Anyone

Câu 28: Mark the letter A, B, C or D to indicate the correct answer to each of the following questions.

I think that _____ lemon juice on fish will make it taste better.

A:few B:little C:a little D:a few

Câu 29: Mark the letter A, B, C or D on your answer sheet to indicate the sentence that is closest in meaning to the original sentence in each of the following questions.

Question 36. Your car is more expensive than mine.

A:My car is as expensive as yours.

B:My car is cheaper than your.

C:My car is not as expensive as yours.

D:My car is as cheaper as yours.

Câu 30: Mark the letter A, B, C or D on your answer sheet to indicate the sentence that is closest in meaning to the original sentence in each of the following questions.

Question 37. Jack will catch the bus, so he has to leave now.

A:After Jack catches the bus, he leaves now.

B:Jack will catch the bus before he leaves now.

C:If Jack leaves now, he will catch the bus.

D:If Jack leaves now, he catch the bus.

Câu 31: Mark the letter A, B, C or D to indicate the word whose underlined part differs from the other three in pronunciation in each of the following questions.

A:marinate B:shallot C:grate D:staple

Câu 32: Mark the letter A, B, C or D to indicate the underlined part that needs correcting in each of the following questions.

If anyone will phone, tell them I'll be back at 11:00.

A:If B:will phone C:tell D:I'll be

Câu 33: Mark the letter A, B, C or D to indicate the word(s) CLOSEST in meaning to the underlined word(s) in each of the following questions.

Just cook the chicken in the oven and baste it in oil and lemon.

A:steam B:simmer C:grill D:roast

Câu 34: Mark the letter A, B, C or D on your answer sheet to indicate the sentence that is closest in meaning to the original sentence in each of the following questions.

Question 39. If you have a hiccup, try holding your breath.

A:If you don't hold your breath, you may have a hiccup.

B:Holding your breath might help with your hiccup.

C:Having a hiccup will hold your breath.
