READING

14

6. Read and fill in the table.

Your Sense of Smell

Your nose lets you smell things. Some things smell good, like pizza or fresh cookies. The yummy smells tell you they are probably good to eat. Flowers and perfume often smell good, too. What other things smell good to you? Can you eat them?

Poisonous - nuodingas
Waste - atliekos
Dangerous - pavojingas

smell

Some things smell bad, like food waste or bad eggs. Yuck! Your nose tells you they aren't good to eat. They can make you very sick.

Your nose tells you about other dangers, too. When there's a fire, you can smell the smoke and call for help. Poisonous chemicals often smell bad. Your nose tells you they are dangerous.

They smell good	They smell bad
cookies
