Write one word in the missing gaps.

Charlie likes to go for long walks. He often goes to the mountains or the countryside near his home to take pictures of the plants and the animals that he sees. He loves his camera because it was a birthday present from his favourite uncle. Last weekend, Charlie wanted to go to the forest to take some pictures of birds.

In the afternoon, Charlie put his camera in his bag. He took some cheese sandwiches for his lunch. Charlie walked in the forest and looked at the trees. He saw a beautiful yellow bird. Carefully, Charlie took his camera out of his bag and took a great picture.

Then Charlie came to a place in the forest that he didn't know. He was afraid. 'Are there bears in the forest?' he thought. Charlie listened. There was a waterfall near him. He climbed a tree and looked around. He saw the waterfall and he smiled as he knew where he was. He walked back to his house.

- When Charlie sees plants or _____ he takes pictures of them.
- Charlie's uncle gave him a _____ for his birthday.
- Charlie wanted to take pictures of _____ in the forest.
- Charlie _____ his lunch and his camera in his bag.

Saturday

My dad and I went fishing today.

It was great!

When my Dad was young, he often went fishing with his brother, my Bob. They both loved fishing, so now I am going to learn to fish too.

When we arrived at the lake, my dad hired a boat for the day. It was a small boat, but wasn't much wind on the lake, so it wasn't dangerous. My dad told me all about how to fish and he said 'Don't noisy on the lake.' I didn't catch any fish, but my dad caught two. We will go back again next week.
