

# Enemy

by Imagine Dragons x J.I.D

Look out for yourself

I wake up to the sounds of the <sup>1</sup> \_\_\_\_\_  
that allows

For my mind to run around, with my ear up to  
the ground

I'm searching to behold the <sup>2</sup> \_\_\_\_\_ that  
are told

When my back is to the world that was smiling  
when I turned

Tell you you're the <sup>3</sup> \_\_\_\_\_  
But once you turn, they hate us

[Chorus]

Oh, the <sup>4</sup> \_\_\_\_\_

Everybody wants to be my enemy

Spare the <sup>5</sup> \_\_\_\_\_

Everybody wants to be my enemy

(Look out for yourself)

My enemy

(Look out for yourself)

But I'm <sup>6</sup> \_\_\_\_\_

Your words up on the wall

as you're prayin' for my fall

And the <sup>7</sup> \_\_\_\_\_ in the halls

and the names that I've been called

I <sup>8</sup> \_\_\_\_\_ it in my mind, and I'm waiting for  
the time

When I show you what it's like to be  
<sup>9</sup> \_\_\_\_\_ spit in a mic

Tell you you're the greatest

But once you <sup>10</sup> \_\_\_\_\_, they hate us

[Chorus]

I'm hoping that somebody pray for me

I'm praying that somebody hope for me

I'm staying where nobody 'posed to be p-p-  
posted

Being a wreck of emotions

Ready to go whenever just let me know

The road is long, so put the pedal into the floor

The enemy's on my trail, my energy unavailable

I'ma tell 'em, "Hasta luego"

They wanna plot on my drive to the top

I've been out of shape, thinking out the box

I'm an astronaut

I blast it off of the planet rock to cause  
catastrophe

And it matters more

because I had it

Now, had I thought about wreaking havoc

On an opposition, kinda shocking

They want a static with precision  
I'm automatic, hold it back  
I ain't talking sack and pack it  
Pack it up, I don't panic, batter-batter up  
Who the baddest?  
It don't matter 'cause we at ya throat

[Chorus]

Pray it away, I <sup>10</sup>\_\_\_\_\_ I'll never be a  
Saint, no way

My enemy

Pray it away, I swear I'll never be a Saint  
(Look out for yourself)
