

SET FIRE TO THE RAIN

ADELE

I let it fall, my heart
And as it fell, you rose to claim it
It _____ dark and I was over
Until you _____ my lips and you _____
me

My hands, they _____ strong
But my knees _____ far too weak
To stand in your arms
Without falling to your feet

But there's a side to you
That I never _____, never knew
All the things you'd say
They _____ never true, never true
And the games you play
You would always win, always win

But I _____ fire to the rain
_____ it pour as I _____ your face
Well, it _____ while I _____

'Cause I heard it screaming out your
name, Your name

When I lay with you
I _____ stay there
Close my eyes
Feel you here forever
You and me together, nothing gets better

'Cause there's a side to you
That I never knew, never _____
All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win

But I set fire to the rain
_____ it pour as I _____ your face
Well, it burned while I _____

'Cause I heard it screaming out your
name
Your name

I set fire to the rain
And I _____ us into the flames
When it fell, something _____
'Cause I knew that that _____
The last time, the last time

Sometimes I wake up by the door
That heart you caught must be waiting for
you
Even now, when we're already over
I can't help myself from looking for you

I set fire to the rain
Watched it pour as I _____ your face
Well, it burned while I _____
'Cause I _____ it screaming out your
name
Your name

I set fire to the rain
And I _____ us into the flames
When it fell, something _____
'Cause I knew that that was the last time
The last time

Oh, oh, no
Let it burn
Oh, oh
Let it burn
Let it burn
