

Let's cook something today, shall we?

I want to cook **Tasty Pasta**

For this, I need:

Parmesan Cheese

Peas

Pasta

Onion

Bacon

Let's wash our hands first

Let's go

- First, we cut the onion. I put this onion into this bowl because I need the cutting board.
- Next is the bacon. I cut the bacon into small pieces.
-
- Now, we need to fry the bacon.
-
- When the bacon is nearly done, we need to add the onion and stir it.
-
-
- If you like it, you can add a bit of pepper.
-

- a. When it starts bubbling, you add the peas.
- b. The last thing is, sprinkle the cheese on top.
- c. While the bacon is frying, I am going to prepare the stock. Now let's stir it.
- d. Let's grate the parmesan cheese.
- e. Now, I need to add the stock.
