Read the text below then answer questions.

## My dream bedroom.

My dream room is very big and modern. It's next to a bathroom with a shower, a bathtub, and a toilet. My room is upstairs, and there's a big window with a balcony. The walls are blue, and the curtains are yellow. There's a small table and a lamp next to the bed. There's a computer, a lamp, and some computer games on the desk. There's a big TV opposite my bed. On the walls there are some photos of my friends and family.
