

1 Nombra los siguientes poliedros regulares:

A:

C:

E:

B:

D:

2. Une cada figura con la fórmula de su área:

	$A = \frac{b \times a}{2}$	
	$A = b \times a$	
	$A = \pi r^2$	
	$A = l \times l$	
	$A = \frac{P \times a}{2}$	
	$A = \frac{D \times d}{2}$	

3. Completa este esquema:
