

SET FIRE TO THE RAIN

by Adele

I _____ it fall, my heart
And as it _____, you rose
to claim it
It was dark, and I was over
Until you _____ my lips and you
saved me
My hands, they were strong
But my knees _____ far too
weak
To stand in your arms
Without falling to your feet

But there's a side to you
That I never _____, never

All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win

CHORUS 1

***But I _____ fire to the rain
Watched it pour as I touched your
face
Well, it burned while I***

***_____
'Cause I heard it screaming out
your name
Your name.***

When I lay with you
I _____ stay there, close my
eyes
Feel you here forever
You and me together, nothing gets
better

'Cause there's a side to you
That I never _____, never

All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win.

CHORUS

CHORUS 2

**I set fire to the rain
And I threw us into the flames
When we _____, something
died
'Cause I knew that that was the last
time
The last time.**

Sometimes I wake up by the door
That heart you caught must be
waiting for you
Even now, when we're already over
I can't help myself from looking for
you.
