

| Student's Name: | List Number: |
|-----------------|--------------|
|                 |              |
| Date:           |              |

## I. Label the pictures below.

lake - glaciers - river - ocean.

## II. Match the columns.

- 5.\_\_\_\_ happens when something harmful is added to the land, air, or water.
- 2. \_\_\_\_\_means to use again.
- 3. \_\_\_\_means use less.
- 4. \_\_\_\_means to change something so it can be used again.

- a) pollution
- b) reduce
- c) reuse
- d) recycle

## III.Tell whether each statement is true or false

| 5. Butterflies are insects.                   | TRUE - FALSE  |
|---|---|
| 6. Insects have twenty legs.                  | TRUE - FALSE  |
| 7. Frogs are amphibians.                      | TRUE - FALSE  |
| 8. An amphibian lives part of its life in the | e water. TRUE – FALSE   |
| 9. Young animals often look like their par    | rents. TRUE – FALSE   |
| 10. A mouse is very big when it is born.      | TRUE - FALSE  |
| IV.Match the columns.                         |   |
|   |   |
| 11 helps you move, think,                     | a) lungs  |
| and feel.                                     | b) stomach  |
| 12 helps change the food.                     | 10 March 10 |
| 13pumps blood to your lungs.                  | c) bones  |
| 14 take in air when you                       | d) brain  |
| breathe.                                      | e) muscles  |
| 15 hold your body up                          | d) boort  |
| 16help protect some inside                    | d) heart  |
| parts of your body.                           |   |
|   |   |
| V. Choose the correct answer to co            | omplete each sentence.  |
| 17.An is a tool that measur                   | e the speed of wind.  |
| a) ruler b) anemometer                        | c) thermometer  |
| 18 comes after spring.                        |   |
| a) summer b) fall                             | c) winter   |
| 19 in some places can be                      | very cold.  |
|   |   |

a) spring b) summer c) winter

20. In \_\_\_\_\_ leaves change color and drop from some trees.

a) fall

b) winter

c) spring

21. A \_\_\_\_\_ is a large storm that starts over warm ocean water.

a) hurricane

b) rain

c) snow
