

Welcome 3 Unit 17

1. Read the text and fill in the gaps:

Dear Roy,

I'm having a great time here in Spain! I've done some really exciting things!

Yesterday we went hiking in the mountains. It was fantastic! I took my camera with me and I took some great pictures! We stayed the night in a cabin! It was really cold so I wore my jumper, trousers and socks in bed!

Tomorrow, we're going to visit Madrid. I'm going to see the sights and take lots of photos.

On Friday we're going to visit Majorca. I'm looking forward to lying in the sun. We're going to go snorkelling and water-skiing, too! Tom's going to take a scuba diving lesson. It sounds really exciting!

Anyway, I'll say goodbye now and I'll see you soon.

Love,

Maggie
