You can visit every day from 9.30 a.m. until 6.30 p.m. In the summers, we have night tours from 7 p.m. until 10 p.m. too. The Wild Zoo also has an education centre so you can find out more about all the animals on the island. You can bring your own food and eat it, but you mustn't eat it near the animals!

B WaterZone

At WaterZone you can do everything that is fun and dangerous. Do you want to try sailing? We have fast boats for you! Do you want to try white water rafting? We have our own crazy river! But don't worry. All the activities are with trained teachers who can help you and keep you safe. Do you want something more relaxing? Try our beach or try our famous burgers in our Rapids Café! We're open every day from March to October from 9 a.m. until 8 p.m.

C Film World

Did you know that San Jordi is the location for many films? This is because it's a sandy island, so it looks like the desert! At Film World you can wear clothes from some of your favourite films and you can act some of the parts of your favourite films, too. We also have special photos for you to remember your day! This is fun for all the family! We're open every day in the summer!
