A. **Read the text.**

A great Saturday

I'm Jessica Kent and last Saturday was a really cool day for my family and me! First my parents, my little brother and I went to a new robotics museum. It opened in the city centre next to the library. We arrived at ten o'clock. There were lots of kids there. My father bought the tickets at the ticket office. Then we walked to the entrance. My brother and I loved this museum. We discovered some interesting things about robots and we played with them. We watched cool videos too. After that we went to a pizzeria to have lunch.

In the afternoon we went to the Zoo. My brother and I love animals. I like lions very much. There was a cute baby lion. I took lots of photos.

When I arrived home, I had dinner and went to bed. I was very tired but very happy.
