

## Describing My Neighbourhood

My neighbourhood is in Kitchener, in the Fairfield \_\_\_\_\_. There are several \_\_\_\_\_ that are within easy \_\_\_\_\_ from my home. To get to the \_\_\_\_\_ store, I just need to walk East and turn right at the lights, and I will see a variety store on the right. If I continue a little \_\_\_\_\_ in the same direction, I will pass a plaza with a grocery store, barber shop, restaurant, and several other businesses. One of my \_\_\_\_\_ places to go is Breithaupt Park. To get there, I walk two blocks to the east and turn right. Then, I walk to the end of the street and turn left into the park. I can \_\_\_\_\_ through the park and walk to uptown Waterloo. One thing I don't like about my neighbourhood is the noisy \_\_\_\_\_. Overall, though, it is a safe and \_\_\_\_\_ place to live.
