

Figure 1 illustrates three different ways to place a title field in a user interface. Each diagram shows a title input field and a content area.

- Diagram 1 (Left):** The title field is positioned above two separate content boxes. The title field is labeled "Hacer clic para añadir un título".
- Diagram 2 (Middle):** The title field is positioned above a single large content box. The title field is labeled "Hacer clic para añadir un título".
- Diagram 3 (Right):** The title field is positioned to the left of a single large content box. The title field is labeled "Hacer clic para añadir un título".

Figure 1 shows four examples of text boxes. The first box has a white background and a thin black border, containing the text 'Haz clic para añadir un título'. The second box has a white background and a thin black border, containing the text 'Haz clic para añadir un título' and a smaller line of text below it. The third box has a light gray background and a thin black border, containing the text 'Haz clic para añadir un título'. The fourth box has a white background and a thin black border, containing the text 'Haz clic para añadir un título'.
