My bedroom

Let me show you my bedroom. My bed's in front of the window. There's a lamp on the bedside table next to my bed. There are some clothes and a pillow on the bed. My clothes aren't all in the wardrobe! There's also a desk opposite the window. On my desk there are some books and my laptop. My favourite poster is on the wall. I like my room, but I hate the curtains and the rug. Oh, my mum's coming and my schoolbag and football are on the floor.

I share my room with my sister. It isn't very big, but it's comfortable. The walls are white and beige. There are two beds on the left and there's a window behind my bed. There's a carpet under the two beds. Our books and CDs are on the shelf. We've also got some pictures of our favourite bands on the wall. There's a table below the pictures and a chair in front of the table. Oh no, my sister is sitting on the chair and I want to do my homework!

New words

laptop – computador portátil; **share** – partilhar
