## CAN YOU UNDERSTAND THIS TEXT?

- a Read the article once. When did Bill Morgan's luck change?

### When bad luck becomes good luck!

You've had a lot of bad luck in the past—a bad accident and some frightening health problems. Does that keep you from doing things in the future that involve luck, like buying a lottery ticket?

Anyone who has bought a ticket for the \$500-million US Powerball jackpot can only dream of having as much luck as Australian truck driver Bill Morgan. In case you've never heard of Bill Morgan, his story actually begins with some very bad luck. First, he was almost crushed to death by a truck accident at work. The accident did not kill him, but it did leave Bill with a heart condition. When he was given medication for the heart condition, Bill had an allergic reaction that caused a powerful heart attack, which left him clinically dead for 14 minutes. After being revived by doctors, Morgan slipped into a coma for 12 days. During this time, his family was advised to unplug his life support system not once, but twice. Bill's luck began to change when he unexpectedly woke up from the coma without any permanent damage. Bill's bad luck was ending and his heartwarming story was just beginning.

After getting better, the 37-year-old Morgan found a new, higher-paying job, and asked his long-time friend, Lisa Wells, to marry him. Lisa said yes. A week later, Morgan bought a scratch-off lottery ticket at his local newsstand. Bill scratched the ticket off and realized he had just won a brand new car! A local TV news station was so amazed by Bill's story that they sent a crew to do a human interest story on Bill and his lucky streak. The news crew thought it would be fun to re-create Bill's buying and scratching off the ticket right on camera. No one could have predicted what happened next. The ticket Bill bought for the re-enactment ended up being a \$250,000 winner! And the best part is, it all happened on live TV (almost causing another heart attack).
