In the north of the country it's very windy and cold. There is a chance of some rain too, so don't leave home without your umbrella! The temperature is around 10° centigrade. In the east it's rainy all weekend, I'm afraid. There may be a thunderstorm too. The temperature is a bit higher, at around 13°. In the west and middle of the country the weather is dry, but cloudy. So no rain for you, but it is quite windy and the temperature is just 10°. The south of the country has the best weather. It's cloudy most of the time but sunny this afternoon. The temperature is around 15°.</p>
