insects  
pond  
trees

Look. Then write.

birds    clouds    flowers    insects    pond    trees

I'm in my garden. There are a lot of animals. There are <sup>1</sup> insects, and there are <sup>2</sup>       , too. There are green <sup>3</sup>       . There are pink and yellow <sup>4</sup>       . There's a big rock, and there's a <sup>5</sup>       . In the sky there's a big yellow sun and there are white <sup>6</sup>       .
