CLB4A – Reading and Writing a letter - (Interacting With Others)

This activity has <u>TWO</u> parts.
#1 – Read the letter and answer the questions
#2 – Write back to this person with your own letter.

Dear Jeannie, June 21, 2017

Hello. How are you doing? I'd like to share with you the great time that I had on my last vacation in Costa Rica.

I went to Conchal Beach in Costa Rica with my friends. Our accommodations were on budget because we stayed at a small hotel right in front of the beach.

The first day we were there we took surfing lessons, my friends and I had so much fun hanging out at the beach. The waves were high and we were able to ride them all morning. It was such an exciting day. There was another beach nearby, probably a five-minute walk called Brasilito beach. While there, we watched the sunset and we set a fire at night. We sat around the fire and talked and sang some 80's songs.

Finally, we spent most of three days in Tamarindo and did some sight seeing during the day and we went to a club at night there. We danced all night and had fun with the locals. In addition, there is a beach in Tamarindo, so we spent the next day there. It was one of the most special times I've had in my life.

I hope you enjoyed what I had to say so far. When you are free, let's get together and I'll share some of the pictures I took. I hope to hear from you soon.

Sincerely,

Janet
