YOUR TV HABITS

We love finding out what you're watching on TV! This week, a mother and son tell us about their TV habits.

There aren't many interesting programmes on TV. I watch sports and cookery programmes, and I sometimes enjoy sitcoms, but I think TV is a bit old-fashioned. I prefer watching videos online because you can watch what you want when you want. I like vlogs because they're interactive – you can comment on the videos. I love cooking so I subscribe to a few food channels. My favourite vlogger is a chef. His recipes are really unusual and he's very funny.

Thomas

I love watching TV! I always watch news programmes before I start work in the morning, and I often watch my favourite soap opera at lunchtime. In the evening, there are a lot of interesting programmes on. I enjoy sitcoms, and I'm a big fan of wildlife documentaries. I think you can learn a lot from them. Yesterday, I watched one about polar bears. In fact, I'm happy to watch most things, although I'm not into sports or cookery programmes. I find them really boring.
