## 2. GRAMMAR: Should /Must /Have to

**Circle the correct alternative.**

I'm a doctor and I love my job. I (a) must/have to work long hours, but it's a well-paid job and I like to help people who are sick. As a doctor, you (b) must/mustn't be very brave when you (c) have to/should tell people bad news. Also, a good doctor (d) mustn't/don't have to ever lie to his or her patients and (e) shouldn't/should always treat their patients with respect. Sometimes I get upset in my job and think I (f) should/shouldn't be so sensitive, but it's a very emotional job. The only thing I don't like about my job is the paperwork – I (g) should/have to write down everything I do. Maybe I (h) should/have to hire a secretary!
