

WE WERE ALL ONCE CHILDREN

When _____ , my life was easy,

We were happy

When I was only two,

The sun was always in the sky,

And _____ always blue.

I was young

When _____ , my life was easy,

the sky was

When I was only nine,

_____ every day,

I was young

The weather was always fine.

_____ all once children,

was small

We were all once two years old,

For all of us, _____ times,

there were

When the wind was never cold.

When _____, my life was easy,

We were

When I was just thirteen,

Our house _____,

We were

The _____ white,

there were

And the garden was always green.

We were all once children,

_____ all once two years old,

I was young

For all of us, _____ times,

When the wind was never cold

walls were

... was never cold.
