A country you would like to visit with your family.

By Peter.

A country that I would like to visit is Japan. I would love to go to Tokyo. I am not interested in going to any other parts of Japan, just Tokyo Japan is located next to China and Korea in Asia. It consists of many islands and is famous for its food, art and culture. Tokyo is one of the biggest cities in the world and it recently held the Olympic games.

I would like to go there in spring, I heard that the cherry blossoms are very beautiful at that time of year. I plan to go there for at least 6 weeks so that I have a lot of time to explore the entire city, there is just so much to see!

I would take my entire family, even my dogs if I could! Mum and dad are huge fans of Japan as well, I am sure that they would love to go. My sister is more interested in Korea, she is a huge K-pop fan. But I think that she would enjoy herself.

I guess the main reason that I want to visit Japan is for the food. I am a huge fan of Sushi, it's so fresh and delicious. There are many famous sushi restaurants in Japan, I

watched a TV show about the best Sushi restaurant in Japan. It is in a small train station in Tokyo, and it only seats 10 people. It's super expensive and you must book one year in advance. People might think I'm crazy, but it's my dream to go and eat at this restaurant.
