Yesterday I went to Katy's new house. It's very big! It's larger than my house. My house is tiny! Katy's bedroom has big windows and it's very light. Her sister's bedroom is darker because the windows are small. The chairs in the kitchen are hard, but they have beautiful, soft chairs in their bedrooms. The softest chairs are in the living room.

Katy's room is tidier than her sister's room. But their rooms are both tidier than my room! My room is very messy! My wardrobe is full, but Katy's wardrobe is empty. She's going to get some new clothes for her birthday.
