

Blog posts

Insert numbers into the call outs to show each of these features

1. Heading
2. Post text
3. Multimedia content
4. Date posted
5. Where comments can be made
6. Where changes can be made by the blog author

Welcome to OUP Primary Computing

This blog is for readers of O.U.P. Primary Computing. In Books 5 and 6 of the series you will learn about making blog posts. This is an example post. It includes an image.
