

Flyers reading part 4

Write down the correct words in the blanks.

COLOR

Example It is difficult to think of a world without colour, but try for a minute! There aren't beautiful rainbows to look at. You can't choose wear a yellow T-shirt or a blue T-shirt. You can't see the beautiful pink, purple, orange and red colours the sky when the sun down every evening. What a different world! The colours of light are different from the colours of paint. you mix red, green and yellow light together, they make white light. you get brown when you mix red, green and yellow paint together. Colour is very important to of us. Red can make people and animals think is 'dangerous'. Drivers stop when they see a red light and hungry birds don't eat insects with red wings. Different colours can make you like or hate food too. you like to eat blue potatoes or drink black milk? People have different favourite colours too. is yours?
