EatWell - Eater-Friendly Curry

At EatWell, you are welcome to eat as much as you want. Simply serve (1) **himself / yourself** at the buffet bar. You can return as many times as you want, so no need to take (2) **too much / enough** to carry in one trip. If any of the food isn't warm enough, you are welcome to use one of our microwaves to heat it up, and if you don't want to do (3) **it yourself / yourself it**, simply ask a member of staff.

At EatWell, we prepare all of the delicious dishes (4) **themselves / ourselves**, so you can be sure that the food is fresh and healthy. We use only the best ingredients because nothing is too good for our customers. As you may have noticed, our speciality is curry, and we understand that people have different tastes. If your curry isn't (5) **too spicy / spicy enough** for you, or if it's too hot to eat, feel free to leave it and take a different one!

At EatWell, we are committed to the environment and fuel efficiency. In the bathrooms, the lights switch (6) **themselves / itself** off after a few minutes. If this happens while you are in there, simply move and they will come on again!
