Read the letter then answer the following questions.

10 Lovely Street,

Kingston,

Jamaica.

May 31, 2022.

Dear Jarlan,

How are you? I hope all is well with you. I heard that you hurt your leg in your backyard. I hope you are feeling better, but I am having a birthday party on June 3, 2022, and I am inviting you. I hope that you can come. My party will be at Fontana Pharmacy. We will have Burger King, KFC, Wendy's, chocolate cake and snacks. Can you please take a cheesecake and chocolate cupcakes if you are coming to my party? My party will also have a surprise guest. The guest will be in a red and blue suit, and he is a popular superhero. I am so excited to have the birthday and I hope you will make it. Please write back and tell me if you will make it and what you can bring.

Your friend,

Matthieu.

Use the information from the letter to answer the following questions in complete sentences.

1. This is a
  - a) letter to give someone information
  - b) letter of invitation
  - c) letter to a teacher
  - d) letter to complain about a bully

---

7. Who do you think will be Matthieu's surprise guest?

---

8. What did Matthieu ask Jarlan to do at the end of her letter?

---

---

Read the poem then answer the questions.

### A Letter

*Margaret G. Rhodes*

I am writing a letter  
To send by the post,  
It is to the person  
I care for the most.

I write the date clearly  
And put the address,  
And begin 'Dearest mummy'  
(Did anyone guess?)

My pen travels slowly  
All down the long sheet,  
Because I'm so anxious  
To keep it all neat.

I carefully blot it  
To dry up the ink -  
Such nice blotting-paper  
The colour is pink!

I turn the page over  
And on goes my pen,  
Till lastly come kisses,  
There's just room for ten.

9. How many stanzas are in this poem?

- a) 5
- b) 6
- c) 29

10. What is the mood of the poem?

- a) sad
- b) hungry
- c) excited
