There wasn't much I used to .....

A smile would blow a summer breeze through my .....

Now my .....are haunting me

Like winter came and put a freeze on my .....

I've lost the..... to understand

What it takes to be a man with my .....

I saw you wanted this to end

You tried your best to be a friend to my .....

But I'm ..... this worry town

Please no grieving, my love, understand?

Whenever I was feeling .....

I used to go and write a song from my .....

But now I feel I've .....my spark

No more glowing in the dark for my .....

Understand? (Can't you see I'm ..... of fighting?)

Understand? (Can't you ..... I've lost my way?)

Understand? (Look at me there's no denying)

Understand? (I won't last ..... day)

All my ..... torn in pieces (now)
