2 Read the text and identify the number of sentences in the *present perfect*.

My grandfather has had a very interesting life. He has been around the world, he has visited every continent and has learned four languages. He hasn't stopped since he was a boy: always moving from one place to the next. This means he hasn't bought a house, and now he lives with us. He has told me lots of stories, but he hasn't told me them all.

Number of sentences in the *present perfect* ☐

3 Read the dialogue and write *True* or *False*.
