Listen and fill the gap

There's a in our class. His name is Charlie. I knew him before he came here because he goes to my Charlie and I both like music. We have music every It's a really interesting lesson because we different instruments and Sometimes brings us instruments to look at. I like trying to Charlie and I are learning to play We have to a lot because we want to play in or a music festival one day!
Or perhaps in a band!
