EXAM SKILLS

In the Listening test you may need to complete categories in a table or set of notes which already has some of the information in place. You should look at the information in the table carefully to get a good idea of what other information is required. This will help you to focus on the missing information. For example, the word *nets* is already given under *basketball*, so you know that you will need to listen for another word connected with that category for question 2. In each case, you will hear the sport first, so you will be able focus on the missing word.

TIP 06

You need to write the same words as you hear in the recording. You will be told how many words you need to write and you will hear the words in the same order they are given in the recording script.
