

WORDS DON'T COME EASY - F.R. David

Words don't go/come easy to me
How can I find a/an way to make you say/see I love you
Words don't come easy
Words don't come easy to me
This is the only wait/way for me to say I love you
Words don't come easy

Well, I'm just a music man
Melodies are so far my/mine best friend
But my words are coming out/aw wrong
Girl, I reveal my heart to/too you and
Hope that/what you believe it's true 'cause

Words don't come easy to me
How can I find a way to make/made you see I love you
Words don't come easy

This is just a simple song
That I've made for you on/an my own
There's no hidden meaning you know when I
When I said/say I love you honey
Please believe I really do 'cause

Words don't come easy to me
How can I find a way to make you see I love/loved you
Words don't come easy
It isn't easy words/world don't come easy

Words don't come easy to me
How can I find a way to make you see I love you
Words don't come easy
Don't come easy to me
This is the only/one way for me to say I love you
Words don't come easy

Words don't come easy
