"Because of you" BY KELLY CLARKSON

I will not make the _____ that you did
I will not let myself cause my heart so much misery
I _____ the way you did, you fell so hard
I've learned the hard way to never let it get that far

[Chorus] Because of you, I never stray too far from the sidewalk
Because of you, I _____ to play on the safe side, so I don't get hurt
Because of you, I find it hard to trust
Not _____, but everyone around me
Because of you, I _____

I lose my way, and it's not too long before you point it out
I _____ cry, because I know that's weakness in your eyes
I'm forced to _____ a smile, a laugh, every day of my life
My heart can't possibly break when it wasn't even whole to start with

[Chorus]

I watched you die, I _____ you cry
Every night in your sleep
I _____ so young, you should have known
Better than to lean on me
You never _____ of anyone else
You just _____ your pain
And now I cry in the middle of the night
For the same damn thing

Because of you, I never stray too far from the sidewalk
Because of you, I learned to play on the safe side, so I don't get hurt
Because of you, I tried my hardest just to _____ everything
Because of you, I don't know how to let anyone else in
Because of you, I'm ashamed of my life, because it's _____
Because of you, I am afraid
Because of you
Because of you
