Mission #1

Going to the Dentist

Trina feels sad today. This is why. This morning, Trina's Mom didn't keep her **promise**. She told Trina that they were going to the candy store after she finished school. Trina was excited when school ended. She jumped into Mom's car **quite quickly**. Trina wanted to buy her favorite candy, Chocolate. When they **arrived**, Trina **noticed** that they were not at the candy store. Mom really took Trina to the Dentist. Trina's mom said she was sorry for **Lying**. But she did not want to **argue** with Trina again
